

Road Map

Week1

- ❖ I did my mockflow(wireframe).
- ❖ Opened a folder for my project(html folder).
- ❖ Researched on how to create my website using html and css.
- ❖ Started the coding in Visual Studio.

Week2

- ❖ I made a google captcha (I am not a robot).
- ❖ Pushed my project to GitHub.
- ❖ Rechecked my work and did touch-ups.
